

# Magnify Covenant

Lord, I stand in awe of Your greatness and majesty. I magnify Your name. You alone are worthy of my worship. You alone deserve my praise. Lord, I want to worship you in spirit and in truth, not just on Sundays, but every day. I want to worship you with integrity and with an undivided heart. Today, I commit myself to be a true worshiper for the rest of my life. Come live with me, wherever I go and whatever I do. Make me aware of your continual presence and constant involvement in all the affairs of my daily life. Let's walk together every day for the rest of my life. In Jesus' name, amen.
