

## GRACE COMMUNITY CHURCH PARENTAL CONSENT FOR MEDICAL TREATMENT

With the increasing sophistication of our medical systems and the liability risks associated with accidents, Grace Community Church, located at 935 West Mescalero, Roswell, NM is finding it expedient and necessary to have parental release/agreement forms in the unlikely event of some serious injury to your child. Therefore, in consideration of allowing your child to participate in Grace Community Church activities, the following sets forth an agreement entered into between Grace Community and you as the guardian of your child. This agreement gives us permission to take your child to the nearest available medical facility and have the necessary treatment administered. This is necessary because many hospitals will not administer any medical attention to a minor without some parent consent. **PLEASE PRINT.**
