

# God Has a Name

What's In a Name? Part 1 of 8

Nate Marsh – Preached on February 23, 2025

Heb. 11:24-25

## 1. Moses Had Good \_\_\_\_\_.

◇ Exodus 2:11-15

## 2. Moses Made \_\_\_\_\_.

◇ Exodus 3:1-4a

◇ Exodus 3:4b-10

## 3. First Excuse:

◇ Who Am I? Exodus 3:11-12.

## 4. Second Excuse:

◇ They Won't Believe Me. Exodus 3:13-15.

### Four Characteristics of God's Name

1. This name separates God from the other false gods.
2. God's existence has no extension in time.
3. God is always the same.
4. God is the only one with the power to act on behalf of the people.

The definition of Incarnation is “to take flesh.” It's the theological concept that Jesus was both fully divine and fully human.

**Weekly Application Point** - Spend some time this week contemplating the hourglass shape of God's work in the universe. Where are you and I in the hourglass? Does that change the way we live in the here and now? It's life-changing and helps define how God wants us to be part of His ongoing work in the world

## GROWTH QUESTIONS:

1. How can we apply the lessons from Moses's journey to our daily lives?
2. What did the sermon teach about excuses and following God? How can we prevent using excuses in the future?
3. God spoke to Moses through a burning bush. In what ways has God spoken to you in the past?
4. Why does God respond to Moses by saying, "I AM WHO I AM?" How does this statement from God help you in your faith?
5. Pastor Nate shared the hourglass example of God wanting us to be part of His plan and purpose for our life. In other words, there is still more work to do (incarnational theology). Discuss or write down ways churches and Christians should live our God's mission here on earth. What are three or more steps you can take to do your part?
