

# I Am the Way, the Truth, and the Life

John 13 & 14 / What's in a Name? Part 7 of 8

Pastor Nate Marsh- April 6, 2025

1. Duh Question #1: Where are you \_\_\_\_\_ ?

1. Jesus predicts that someone will betray Him. After Judas ate, he stormed out.
2. Jesus directly tells Peter that he will deny Him three times before the rooster crows.
3. Jesus tells them that where He is going, they can't go with Him right away, and these individuals have left everything to follow after Him.

2. Duh Question #2: How do I know the \_\_\_\_\_ ?

The word translated "rooms" here is monai, from meno, which means "to stay."

3. Duh Question #3: Can you \_\_\_\_\_ it?

Jesus gives us not the in-and-out information we may want but what we actually need: He reassures us that we don't have to understand everything as long as we trust Him.

The disciples weren't perfect, and neither are we. We are a work in progress and God is not done with us yet.

**WEEKLY APPLICATION POINT** - Our prayer life can reveal a lot about the questions we ask God. Are they good questions that increase our faith, or like the disciples, are we asking "duh" questions we already know the answer to? If you find yourself asking a question you know the answer to, reaffirm it with a promise from God's Word. Trust in Him. He is faithful.

## GROWTH QUESTIONS:

1. How does Jesus' love for Judas, even knowing he would betray Him, challenge the way we treat difficult people in our lives?
2. Peter was confident he would never deny Jesus, yet he did. Have you ever had a moment where you thought your faith was strong but later struggled? How did you grow from it?
3. Jesus tells His disciples not to let their hearts be troubled (v. 1). How can we trust Him more in anxious or uncertain times?
4. Philip asks Jesus to show them the Father (v. 8). How does Jesus' response (v. 9) deepen our understanding of who He is?
5. Jesus says He is the way, the truth, and the life (v. 6). What does this mean for those who seek purpose and salvation?
