Read Ahead

When most people hear the word "recovery," they immediately think of drug or alcohol dependency programs. Webster's Dictionary defines recovery as "the process of combating a disorder or a real or perceived problem." At Celebrate Recovery, we see recovery as working through hurts, habits, or hang-ups (and all of us have those) and allowing God to work in our lives to bring restoration and healing. Only 1 in 3 people attend Celebrate Recovery for chemical dependency issues. You may be thinking that CR is for everyone else. You don't need to attend CR. Hope you join us next week as we will discover that Celebrate Recovery is for all of us!

Celebrate Recovery: Free family meal every Friday at 5pm. Large group at 6. Programs for all ages! Men's and Women's open share at 7pm. Join us in the Children's Building this Friday!

If you prefer being served in your chair, raise your hand at the conclusion of communion, and the servers will come to you. If you are not taking communion today, just remain in your chair. Thank you.
